

we're Revolution Foods

We are transforming citywide wellness by providing **healthy**, kid-inspired, chef-crafted, **convenient and affordable** products across meal occasions in **schools and community** programs.

real parents

We are parents first and foremost. We appreciate the challenges every family faces.

real positive change

We want to solve problems that affect families and students everywhere.

real food standards

We believe in real food.
It's that simple.

our food philosophy reflects our beliefs as a company & as a brand

We believe...

... everyone deserves access to real food – high-quality food made with carefully considered ingredients

... healthy food can be the ultimate tool of empowerment to achieving your potential

... food can taste good and promote growth & development

... everyone deserves choice – diversity of recipes, tastes & textures

... families & communities can be uplifted through our food & partnership programs

... business can be a force of good
