We would like to welcome all new and returning families to Envision Academy of Arts & Technology, where we are dedicated to creating an equitable, powerful, and innovative learning experience for ALL students from all levels and backgrounds of learning! Our mission is to engage our scholars not only academically but socially and emotionally, in order to prepare them for life after high school, whether that be college/university or the workforce.

At Envision Academy, we build a community where we love learning, crave excellence, and access our agency. Upon graduation, our students possess:

- the knowledge and academic skills necessary for success in college;
- a mastery of leadership skills necessary for responsible, active citizenship;
- the artistic and technological skills necessary for success in the 21st century workplace

While we are dedicated to bringing out the best in our students, your children, we acknowledge that none of this is possible without the help and support of you, our families, our community.

The hope is this handbook not only serves to inform you and your family of our policies, procedures and expectations but also creates a bridge of communication and belief that we want the best for everyone in our community and will work together to produce just that: the best.

Please review and discuss this handbook closely with your child(ren). Once that is done, please sign the Acknowledgement and Commitment Form and return them to your child’s advisor by the end of the first week of school.

If you have questions, concerns or comments, please do not hesitate to contact us! We can be reached at 510-596-8901. We look forward to working, learning and growing with you this year!

In Community,

Steven B. Mathis,
Interim Principal

Kevin Hoffman,
Vice Principal

### School to Home Communication

At Envision Academy we do everything we can to see that the families of our students are well informed of all events and activities at the school. We regularly send emails with announcements, activities, reminders, volunteer requests, and more. It is imperative that parents/guardians not only provide a working email address but also check it regularly. This helps us build a community of safety, transparency and support.

In addition, we have a call fire system used to inform parents/guardians of upcoming events, as well as occasional emergency messages. For access to our communication, it is imperative to keep the school informed of changes regarding student information, including mailing address, email address, and telephone numbers.

*For any additional information on certain policies and expectations, please see our [Handbook Appendix](#)*

</tbody>
</table>

Student Drivers
All students who are 16 years of age and have a valid California Driver’s License are allowed to drive to school as a matter of privilege, not a right.

Students should not arrive at school earlier than 8:00 AM and must leave school within 15 minutes after school ends, unless accompanied by an adult, attending office hours, or attending a school sanctioned event. The school currently does not have a student parking lot, and street parking surrounding the school is largely metered by the hour and regularly patrolled by parking enforcement. Students are encouraged to refill parking meters in between classes, making sure to inform the front office before leaving campus.

California Law states that a student who has had their license for **less than 12 months** may not give anyone under 20 years old (friend, sibling, cousin, etc.) a ride unless they have a licensed parents/guardians or other adult 25 years old or older in the car with them. School administration will discuss driver responsibility as needed with any student misusing the privilege and freedoms mentioned in this section.

Closed Campus
Students are to stay on campus from the time they arrive at school until they are dismissed. Students leaving campus without permission will be subject to appropriate school discipline (see Student Discipline Section). Grade 10-12 students have access to “off campus lunch,” subject to parent permission and adherence to school community rules and Oakland community laws. **Grade 9 students are required to remain on campus for lunch unless they have earned an off-campus lunch opportunity through the school’s incentive program AND have parental permission to exercise that earned privilege.** Beginning in the 2023-24 school year, only students in grades 11 and 12 will be permitted to leave campus for lunch on a regular basis.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*.
Visitors
Guest-students, siblings, friends and other relatives may not attend class if they are not enrolled. Parents and guardians are always welcome! Approved visitors must check in at the front office and receive a visitor’s pass prior to entering the school. Visitors who do not comply with school policies will be asked, respectfully, to leave.

Contacting Students at School

PARENT/GUARDIANS SHOULD NOT EXPECT STUDENTS TO ANSWER THEIR CELL PHONES OR RETURN TEXT MESSAGES DURING SCHOOL HOURS!

If you have an emergency that requires your child’s immediate attention, please call the office at 510-569-8901 and we will get your child out of class. Please be mindful that aside from wanting to limit interruptions to the learning environment, we do not have the resources to serve as a message center for students. For this reason, we request that you limit student messages to emergencies only.

If students need to make a phone call home during school hours and outside of lunchtime, the student is expected to sign out of their current classroom, go to the main office and use the phone there.

Parent and Family Involvement

The Family, Student, and Community Association serves as an organization for all family involvement in the school, and functions as a forum for parents/guardians and community members of the Envision Academy community. Monthly Family, Student, and Community Association (FSCA) meetings will take place during the 3rd week of each month on a day to be decided by the community. The purpose of FSCA meetings is to provide an opportunity for the school community to give input on instructional and non-instructional issues as they pertain to the site, including: curriculum, budget, schedule, student health and welfare, programs, procedures, and other issues, as deemed valuable to the community.

Family participation is an important part of creating a successful learning community at Envision Academy, and necessary to fulfilling our vision. If you’re interested in getting involved, please contact the Main Office for details about the next meeting. Spanish translation is available.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
GENERAL INFORMATION

Mascot and Colors
The Envision Academy mascot is the Black Panther. Our school colors are purple and black. White and gray will often appear on t-Shirts and jerseys as complementary or alternative colors.

Props
Positive feedback motivates all of us to succeed. Giving props is a school-wide practice intended to encourage all members of the Panther community to recognize each other’s positive actions throughout the week. Giving someone “props” means giving them their proper respect.

Students receive various additional types of positive reinforcement, including recognition of achievement/leadership, positive phone calls, and classroom rewards. Some school wide positive incentives include but are not limited to:
- Panther of the Month/ Semester: teachers reward students in Community Meetings
- EA gear and accessories as the community members reach goals set by the EA community.

Field Trips
Envision Academy always strives to make learning relevant. This entails frequent interaction with resources outside of our school. Therefore, parents/guardians will sign a Day (Walking) Field Trip permission form when their student enrolls. Parents will be notified in advance when students will be taking a field trip and will receive additional forms and information regarding the specific details of the trip.

Smoking and Vaping
Smoking and vaping (including using vapor products or electronic cigarettes) are not permitted by anyone on or around school grounds. This pertains to students, staff, family members, friends, community members, and the general public and is a federal mandate. Any student who violates this rule will be subject to appropriate disciplinary action, including restorative consequences or suspension. Visitors who violate this rule will be asked to leave campus immediately.

Food and Drink
To maintain and promote a professional atmosphere, and protect our equipment and facilities, food and drinks will be allowed only in designated eating locations. As a general rule, all drinks must have a cap and classrooms DO NOT allow drinking in class at all (drinking regular, unflavored water will be allowed).

When students need to take a drink or snack break, they should discretely inform their teacher and then step right outside of the classroom door to take a quick drink, returning immediately to the classroom once done. Teachers and staff will follow up with students if lengthy drink and snack breaks are interrupting instructional time.

Drinking is never acceptable when working with digital technology.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Skateboards/Skates/Rollerblades/Scooters

Riding or wearing anything with wheels is not permitted while on campus. Students caught will be given a warning. If it happens again, the item(s) will be confiscated and taken to the office, where a parent must come in to pick it up. If students need to find a place to store these types of items, they should speak to an administrator.

Public Display of Affection

Out of respect for the school community, and to decrease chances of spreading Covid, students are not to engage in public displays of affection (PDA) inappropriate for a school campus. This includes piggyback rides, sitting on another’s lap, making-out, and/or excessive body-to-body contact. Students displaying excessive PDA will be reminded of the community expectation. If the behavior continues, students face consequences that include, but are not limited to, a reflection or restorative conversation.

Electronics

Electronics of any kind (including but not limited to cell phones, Mp3 players, cameras, Bluetooth speakers, earphones/earbuds, etc) are not permitted during any class periods, including Advisory, or during passing periods. Electronics may be used during breakfast, lunch, and after school. Electronics may be used during class if/when a teacher allows it for a classroom-related assignment.

Note: We know that electronics are a major part of day-to-day life for many of us. During the beginning of the school year, EA administration will engage with teachers, students (through Advisory), and families (through FSCA) to develop a more robust and nuanced electronics policy that reflects the needs of all of our community.

If families need to reach their children because of an emergency during class time, they can call the main office at 510-596-8901.

Security of Belongings

Envision Academy is not responsible for personal items that are stolen at school. Please do not allow your child to bring valuables to school or more cash than necessary for lunch and snack. If there is a need to pay for an item at school, send a check made out to Envision Academy. If anything is stolen from your student, advise them to report it to a staff member, the Main Office, or the Principal immediately. Please note the admin team may not have the capacity to investigate theft of personal items brought from home.

*For any additional information on certain policies and expectations, please see our Handbook Appendix.
While we recognize that there are legitimate reasons to miss school such as illness and bereavement, we encourage our students to be in school at all times so they can meet their full academic potential while attending Envision Academy.

Attendance will be taken electronically during the first ten minutes of every period. If a student is not in class and the office cannot determine a reason for the absence, the student’s parent or guardian will be notified through email, phone call or text.

REPORTING AN ABSENCE: When a student will not be in school, the office must be notified before 9:00 AM. Please contact the main office at 510-596-8901 to report the absence.

Parents/Guardians must clear absences within 24 hours immediately following an absence or it will remain unexcused.

Students who are absent 5 days in one quarter, without an excuse, will receive a truancy letter. Each 5 days generates a new letter. Multiple truancy letters can include but not be limited to not attending school culture events (i.e. spirit week, dances, prom, etc.) or administration taking steps to disenroll a student, as outlined in the Envision Education Attendance Policy.

Excused Absences
- Illness
- Medical/Dental Appointments
- Funeral services
- Immunization
- Religious holidays
- Court appearances

Unexcused Absences/Tardies
- Unverified absences
- Late arrival over 30 minutes
- Leaving campus without permission
- Personal reasons
- Vacation
- Skipping class

Parents will be contacted in the event there is an excused or unexcused absence. All absences will be indicated on the semester report cards.

Grade levels who meet stated attendance goals will be recognized at Community Celebrations throughout the school year!

Tardy Policy

Morning Tardies
All students who are late in the morning must check in at the front office by entering the Webster Street doors to receive a tardy pass. Morning tardies are only excused with a doctor’s note on medical office stationery. If a student is tardy in the morning, the student’s parent/guardian will be contacted. Students must be in class by 8:30 AM. Students who are consistently more than thirty minutes late will receive a Tardy Truant and begin the SARB process.

*For any additional information on certain policies and expectations, please see our Handbook Appendix
**Tardies Between Classes**

Students who are late for other periods of the day will be marked tardy by their teacher. Tardies between classes are only excused with a note from a staff member. All unexcused tardies will result in an unexcused tardy entered in attendance.

---

**Tardy Consequences (between classes - does not include morning tardies)**

**Step 1:** 5 tardies (excluding morning tardies) in a week = Reflection/Check-in with Dean + parent/guardian conversation

**Step 2:** Another 3-5 tardies in a week = Resolution Request for Justice Circle

**Step 3:** Another 3-5 tardies in a week = SART

---

**Late from off campus lunch or leaving to lunch without permission**

**Step 1:** First time = Reflection/Check-in with Dean

**Step 2:** If a student is late a second time = loss of off campus lunch the next day + Late Lunch Reflection + parent/guardian conversation

**Step 3:** If a student is late a third time = loss of off campus lunch for next 3 days + Late Lunch Reflection + Resolution Request for Justice Council

**Step 4:** If a student is late a fourth time = Off-campus Lunch Contract

*based on quarterly tardies from lunch

---

**Support/Consequences for Impacts of Tardiness**

If a student is late, their teacher may request that they attend office hours to make up for missed learning time. Parent/guardian contact may also be made, in addition to other attendance-related consequences as outlined in the handbook.

---

**Skipping Class**

A student is considered “skipping” if they miss more than 20 minutes of class without a verified reason. In PowerSchool, if a student never appears to class, or if they arrive to class over 20 minutes late, without a verified reason, it will be marked as an unexcused absence. Extended bathroom breaks will be considered skipping. Repeated offenses (3rd Infraction) for skipping will result in Resolution Request for Justice Circle.

---

**SART to SARB Attendance Review Procedures**

Students who are absent for more than 5 days in any one class, in any quarter, and/or who are Tardy Truant (late to school by 30 minutes or more) will be entered into Envision Academy’s SART (School Attendance Review Team) and SARB (School Attendance Review Board) process, described below:

1. Letter 1 Notification
2. Letter 2 Notification and mandatory SART Meeting attendance at Envision Academy
3. Letter 3 Notification and mandatory SARB Meeting attendance at Envision Education

For any students who do not meet the attendance goals agreed upon during SART and/or SARB meetings, Envision Academy and Envision Education may make a report to the Truancy Officers with Alameda County.

---

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Medical / Dental Appointments for Early Release

To ensure the safety of our students, please follow our system for pick-up during the school day:

1) Students are expected to make routine medical or other appointments before or after school hours. Since Wednesday is a minimum day, Wednesday afternoons may be the best times to make medical appointments. In the event that this is not possible, parents or guardians must phone, email, or send a note to the school office before students may leave the school grounds. If a student leaves campus without checking out with the office, the absence is considered skipping and cannot be excused.

2) Have your child submit a note about the appointment to the Main Office so a copy can be made and entered into PowerSchool attendance. Your child can then take the note with them to give to their teacher as to limit classroom interruptions. Your child must wait in the office at your agreed upon meeting time for us to release them. **NOTE:** You must come to the office to sign out your child.

3) When students are returning from such appointments, they must sign back into the office before going to class. In order to excuse the absence, a doctor’s note must be provided.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
STUDENT HEALTH AND WELFARE

While all students will have free breakfast and lunch available to them each day, it is still important for all families to complete and return the Free/Reduced Lunch Application, which was sent via mail to families in July. If you did not receive an application in the mail, please contact the front office.

Emergency Contact Forms

Each student must have an Emergency Card, available in the registration or re-enrollment online packet, completed by their parents/guardians. The form will be kept on file in the school office. The Emergency Form includes the following information:

1) Parents/guardians complete name(s), address, and updated/accurate cell, telephone, and work number(s).
2) The name, address, and updated/accurate telephone numbers of another adult who can be called in an emergency when a parent cannot be reached.
3) Medical alert information.

Please keep this information updated throughout the year to assist us in helping your children! Parents and Guardians can update this information with their PowerSchool account.

Emergency Preparedness

An Emergency Action Plan for all Envision Schools governs what happens at Envision Academy in the event of an emergency. The objective of the plan is to provide effective action to minimize injuries among students and school personnel in case of disaster during school hours. The school principal, working in cooperation with county disaster officials, will make decisions and determine actions within the framework of student and employee safety.

We understand the need parents/guardians may feel to rush to the school in the case of an emergency situation. However, we strongly encourage all parents/guardians/siblings to refrain from coming to the school if an emergency has been declared. This helps to ensure the safety of not only you but of the students and the staff dedicated to protecting them. The school will be in constant communication with all parents/guardians in the case of an emergency.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
**Emergency Procedures:**
All students are to remain on campus. Based on the nature of the emergency, students will be instructed to do one or more of the following:

1. Stand by (stay where they are)
2. Take cover
3. Evacuate buildings and assemble, with instructors, in prearranged areas. Evacuation routes are posted in each classroom. Under no circumstances will teachers release their students unless given directions to do so by the Principal. Any adult calling for a student will be required to identify themselves to an assigned staff member before being allowed to take a student out of school.

**Medications and First Aid at School**
Whenever possible, guardians will be notified if a student requests an ice pack or has another health related request.

Whenever possible, medication should be given at home. However, if your child needs to take medication during school hours, the school requires the following:

1) Parents/Guardians must have the Medication Form completed by the Health Care Provider. This form must be filled out each year.

2) The parents/guardians must bring all medication in its original container to the school for dispensing. The medication cannot be brought to school in old or odd bottles, plastic bags, foil or envelopes. Please remember to pick up your child's medication at the end of the school year.

3) Students may not keep medication in their backpacks, desks or clothing, with the exception of students needing an Epi-pen for allergic reactions, inhalers for the treatment of asthma, or insulin for students with diabetes. For those students, there must be a completed and signed Medication Form in their file.

4) Students may not share medication with or obtain medication for other students.

It is also advised that the parents/guardians and physician fill out the School Asthma Action Plan and/or the Food Allergy Action Plan for students with either of these conditions.

All forms are available in the school office.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Graduate Profile

Vision of an Envision Graduate: Graduates from Envision are lifelong learners who eagerly take on society’s greatest challenges by exercising our competencies of Critical Thinking, Leadership, Criticality, Knowledge and Love of Self and Land, Collectivism, and Self-Determination so that the generations to come benefit from equitable, environmentally, and culturally sustaining practices.

Grading

Network-wide practices

- (Grades 9 and 10) If a student earns a 2 or higher on end-of-semester network-wide summative assessments (science, math, and ELA, social studies), then that score can replace the semester grade. If a student scores a 1 then a teacher can give students an opportunity to make test corrections that show they understand the content and score a 2 on the exam.
- (All grade levels) If a student engages in End-of-Unit task revisions, a combination of those scores can replace the semester grade.
- (All grade levels) Summer school opportunities can include End-of-Unit Task revisions for semester grade.
- (All grade levels) Teachers can approach end-of-year grading with a two-pronged approach. The bar of 95% attendance can be used to mark the threshold of a C- / 1.66 in a course. Above that, a competency, standards based approach should be used for grading.
  - For example:
    - If a student is struggling with content but has been marked present for 95% of days, then they should receive at least a C- / 1.66 (engagement minimum based)
    - If a student is meeting standards and competencies as determined by teacher that is equivalent to an A or 4.0, but a student is present for 49% of days, then they should receive an A or 4.0 for the semester (competency based)
    - If a student is present for 95% of days and is meeting standards and competencies as determined by the teacher that is equivalent to a B or 3.0, then they should receive a B or 3.0 for the semester.

Network-wide policy

- (All grade levels) Students will not be retained to repeat a grade-level unless it is approved by the Principal and Chief Academic Officer. Research shows little to no evidence of repeating grade-levels having a benefit.

*For any additional information on certain policies and expectations, please see our Handbook Appendix.*
All of the required courses at Envision Academy in our high school, grades 9-12, result in multiple evaluations that will be reported as a Letter Grade as follows:

- A = the grade point equivalent to 4.0 in the course
- B = the grade point equivalent to 3.0 in the course
- C = the grade point equivalent to 2.0 in the course
- NC = Insufficient Evidence or Growth Towards Standard to Earn Credit. Any mark in any course that dips below the level of “C-” is considered NC and no credit towards graduation will be awarded.

Mastery of knowledge and skills in the following areas:
- Research
- Literary Analysis
- Inquiry
- Creative Expression or World Language
- Workplace Learning Experience (WLE)

Mastery of the four Envision Schools Leadership Skills:
- Think Critically

2. Successfully complete University of California and California State University minimum A-G subject requirements with a minimum grade of C- or higher:
- English – 4 years
- Mathematics – 3 years

*For any additional information on certain policies and expectations, please see our Handbook Appendix.*
3. Demonstrate college and workplace readiness:
   - Successful completion of hour requirement in 11th grade Work Learning Experience
   - Pass the WLE presentation in 11th grade
   - Accepted to at least 1 college, university, or post-secondary program

Exhibitions, Benchmarks and College Success Portfolio

Students will participate in a major exhibition each year. While Student-Led Conferences are held in each grade, they will serve as a particular opportunity for 9th graders to begin to chart their course to a College Success Portfolio. Benchmark Portfolio in the 10th grade, Work Learning Experience (WLE) in the 11th grade, and College Success Portfolio in the 12th grade are considered “exhibitions.” Student attendance is mandatory at all of these exhibition events.

In order to be promoted to the Upper Division/11th grade, each 10th grade student (regardless of transfer status) must successfully complete and pass a Benchmark Portfolio presentation at the end of the year. In order to graduate from Envision Academy, each 12th grade student must successfully complete and pass the College Success Portfolio.

Based on the high stakes nature of these portfolios, it is important that families become community members and participate by attending and supporting the exhibition process. Information on opportunities to support the exhibition process will be communicated later in the school year.

High School Workplace Learning Experience (WLE)

In 11th grade, all students participate in the Workplace Learning Experience, or WLE. For two full weeks during the month of May (Mon-Fri), instead of coming to school, they go to an internship site for the entire day. To secure the internship, students write resumes and cover letters and practice interview skills. We encourage them to seek an internship in a field of interest, and the WLE helps many students identify their ideal career (or one they don’t want!). During the internship, students work with a mentor and complete a project with measurable outcomes. At the end of the two weeks, they present their experience in a public exhibition. It’s a powerful experience that equips students with job search practice, self-confidence and first-hand exposure to a career field.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Homework, Make-up Work, and Revisions

Our goal is to prepare students to be productive and responsible human beings and part of that process is holding them accountable for their school work, whether it be homework, make-up work, or revisions. While teachers share the burden of student success and follow-through, it is also up to students to actively communicate with their teachers when it comes to completing, making up, or revising assignments.

Teachers may give assignments that will need to be completed at home; please feel free to communicate with your child(ren)’s teacher(s) to give feedback on the amount or type of homework that is assigned. The schools will also ask teachers to be as communicative as possible with parents, guardians, and families about homework assignments and policies.

Progress Reports and Transcripts

Envision Academy strives to keep parents/guardians abreast of their student’s academic progress and has established regular reporting periods. Parents and students may always check PowerSchool to see updated grades. Progress reports are sent home approximately every 6-12 weeks in the high school. Students also review their progress with parents/guardians and advisor during student-led conferences held mid-semester. During the conference, copies of mid-term grade reports are distributed. Official grades are issued at the end of each semester. The transcript includes an academic grade, report of attendance, and may include teacher comments.

Academic Support

PowerSchool is our online attendance and grade-keeping tool that allows our faculty and families to quickly and accurately search student records. We encourage families and caregivers to use PowerSchool to check the status of a student’s grades, attendance, and assignments.

Office Hours: In college, professors hold “office hours” to help students on an individual basis. At Envision Academy, we replicate this practice as a way of encouraging our students to reach out for extra help when they need it. One afternoon session per week (Tuesdays) is dedicated to office hours. Students may also speak with their teachers to schedule time before or after school to get additional help, depending on teacher availability. If a teacher requests that your student(s) attend office hours with them, it is strongly recommended that they do so! The request is rooted in care and a desire to support your student(s) reach their full academic potential.

High School College and Career Counseling

Envision Academy has a full time College Counselor, and a full time Career Counselor who assists students with high school academic choices and post-high school planning. Students and/or parents/guardians may request an appointment to discuss graduation status, college entrance and placement tests, college and financial aid applications, work-based learning, internships, and career planning.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Academic Integrity Policy

Envision Academy takes academic integrity seriously. Plagiarism and cheating of any kind are not permitted. Students may not look at and/or copy from the test, assignment, or digital work of another person. Neither are they to let anyone look at and/or copy from their own test, assignment, or digital work. Students may not offer verbal help or pass notes to other students regarding a test or complete the work of another student. It is the responsibility of the EA community to uphold the EA community norms regarding plagiarism. By signing the handbook, EA students make a commitment to completing their own work and maintaining high standards of integrity for the good of the community.

Procedures:
1. Students will sign the handbook at the beginning of each school year
2. All test papers, quizzes, or assignments will be taken from students violating the policy. This includes students who are suspected of copying, as well as any student whose work was potentially copied.
3. Students involved in cheating or plagiarizing will receive a grade of "NC" or zero for the test, quiz, or assignment.
4. Students who believe they have been accused in error may request a meeting with the Justice Council or administration team.

High School Work Permits

By California State Law, all students under the age of 18 are required to have a work permit for afterschool and weekend jobs. Permits may be obtained from the California Department of Education website. During the school year, students may work a limited number of hours, determined by their age. A parent’s signature is required on the application for a work permit before the permit is issued. Students should check in with the Office Manager for more information. Please allow at least 2-5 business days for the processing of work permits.

STUDENT SUPPORT AND DISCIPLINE

Please note that a community member may receive a restorative consequence as a result of a Justice Circle. All restorative consequences are required to be served, and will be managed by the Justice Circle Facilitator. See Page 29 for more information about our Restorative Justice program.

Classroom Management

Envision Academy knows that consistency is key in developing positive student behavior. Therefore, every classroom will have some form of this classroom management plan before intervention by Admin at Step 5.

**Classroom Management Plan**

- **Step 1:** Verbal/Non-verbal Reminder
- **Step 2:** Reflection Conversation
- **Step 3:** Parent/Guardian Contact
- **Step 4:** Onward Referral

Students repeatedly being referred to EA’s Onward! program may be invited with their parent or guardian to a Student Success Team meeting to discuss additional supportive steps.

**Shifting**

*Shifting* is an offering for students who need a moment to step outside of class to access additional support.

To access Shifting opportunities:

1. Student informs teacher
2. Teacher fills out Shifting Pass
3. Student reports to The Lair (Room 108) and signs in
4. Student connects with Dean for additional support
5. After successfully shifting, student returns to class with signed Shifting Pass from Dean
6. Sign back in to class

**Classroom Expectations**

Students are expected to enter classrooms prepared to follow all classroom procedures. Teachers will clearly articulate their expectations and particular classroom procedures in the first two weeks of school. Generally, an EA expectation is that students will be attentive and respectful while a teacher or student is speaking; this is also a way we can live our core value of Community. Students are not permitted to leave the classroom during the first or last ten minutes of class.

**Classroom Break**

Students are expected to be mindful of the best times to take a restroom or personal urgency break. If a student needs to step out of the classroom, they must:

1. Discretely inform the teacher
2. Sign out of the class
3. Take the pass and go to the restroom or office

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
4. Return to class and sign back in
5. Return pass to where it belongs

Students are expected to return to class within 3-5 minutes.

**Code of Conduct for All Community Members**

and any potential safety situations.

- We wear clothing that keeps us all emotionally and physically safe.
- We actively contribute to making our community better than we found it.
- We look for opportunities to help others.

- We take initiative. We ask for what we need. We do what needs to be done.
- We invest in our futures by refraining from drugs and alcohol.
- We show up ready to learn, on time, and prepared.

Dress Code Expectations

It is the policy of Envision Academy that the student and their parent/guardian hold the primary responsibility in determining the student’s personal attire, hairstyle, jewelry, and personal items (e.g. backpacks, book bags). Schools are responsible for assuring that student attire, hairstyle, jewelry, and personal items do not interfere with the health or safety of any student and do not contribute to a hostile or intimidating environment for any student. Our dress code expectations are used to reinforce the importance of our Core Values, along with keeping our school community safe, inclusive, and welcoming.

Core Values

In relation to student dress, we believe:

- Students should be able to dress and style their hair for school in a manner that expresses their individuality without fear of unnecessary discipline or body shaming; students have the right to be treated equitably.
- Dress code enforcement should not and will not create disparities, reinforce or increase marginalization of any group, nor will it be more strictly enforced against students because of racial identity, ethnicity, gender identity, gender expression, gender nonconformity, sexual orientation, cultural or religious identity, household income, body size/type, or body maturity.
- Students and staff are responsible for managing their personal distractions.
- Students should not face unnecessary barriers to school attendance.

Universal Dress Code

Students must wear:

- Top (shirt, blouse, sweater, sweatshirt, tank, etc.)
- Bottom (pants, shorts, skirt, dress, etc.)
- Footwear

This policy permits additional student attire requirements when necessary to ensure safety in certain academic settings (e.g. physical activity, science or CTE courses).

Students may NOT wear clothing, jewelry, or personal items that:

- Are pornographic, contain threats, or that promote illegal or violent conduct such as the unlawful use or promotion of weapons, drugs, alcohol, tobacco, or drug paraphernalia.
- Demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race,

*For any additional information on certain policies and expectations, please see our Handbook Appendix.
ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups

- Intentionally show private parts (nipples, genitals, buttocks); clothing must cover private parts in opaque (not able to be seen-through) material
- Cover the student’s face to the extent that the student is not identifiable (except clothing/headgear worn for a religious or medical purpose)
- Demonstrate gang association/affiliation

Attire worn in observance of a student’s religion are not subject to this policy.

**Enforcement**

Principals are required to ensure that all staff are aware of and understand the guidelines of this policy. Staff will use reasonable efforts to avoid dress-coding students in front of other students. Students shall not be disciplined or removed from class as a consequence for wearing attire in violation of this policy unless the attire creates a substantial disruption to the educational environment, poses a hazard to the health or safety of others, or factors into a student behavior rule violation such as malicious harassment or the prohibition on harassment, intimidation, and bullying. Further, no student shall be referred to as “a distraction” due to their appearance or attire.

Typical consequences for a violation of this policy include parent/guardian contact or conference and the directive to cover, change, or remove the non-complying attire. A student may also be instructed to leave their classroom briefly to change clothes. The Principal or their designee will notify a student’s parent/guardian of the school’s response to violations of the student dress policy.

**Vandalism of Computers, School Property, or School Furniture**

- **1st Offense** = Resolution Request for Justice Circle or Restoration (depending on the severity)
- **All Subsequent Offenses** = Mitigation by Admin, Advisor, parents/guardians, Student, Conference with creation of a Behavior Plan

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Restorative Practices

Restorative Practices is an approach to school culture and discipline that focuses on repairing harm before assigning punishments. Teachers and students who are in conflict have a conversation about how their actions affect each other and what they can do to fix the situation. The method reduces punitive discipline and builds relationships that feed a positive school culture.

Envision Academy strives to use restorative practices whenever appropriate and feasible. We believe that students can learn from mistakes and that the goal of the adults on campus should be to focus on restoring harm caused between community members rather than to dole out punishments.

Additional information on our Restorative Practices can be found in our handbook Appendix.

Restorative Consequences

A Resolution Request for Justice Circle can be a result of not following the Code of Conduct, for receiving multiple reminders for inappropriate behavior in class, or for other unsafe or inappropriate actions at school. Envision Academy administration will be working with students and staff to establish a routine should the need for Justice Circle arise; see more information about the Justice Circle process in the Appendix.

When a student receives a restoration, it means that they will be required to meet with those affected by their behavior to work on repairing whatever harm was caused. Restorations may consist of, for example: practicing the desired behavior, completing an assignment, cleaning or giving back to the campus community in some way, apologizing, participating in a circle, or mediation.

**Bullying**

We know bullying is a major concern for students and families nationally and here within the EA community. As a school team, we will do all we can to address the issue to ensure all students are protected and have a safe learning experience. This includes not only proactively working to create a communal and caring atmosphere and culture, but also responding quickly should incidents of bullying arise. You can see more detail about how we will consider responding to bullying in the Appendix.

Suspension and Expulsion Policy

When student behavior moves far beyond the Envision Academy Code of Conduct, Envision Schools Suspension and Expulsion Policy will be followed. The following pages spell out the general consequences in line with Envision Schools Suspension and Expulsion Policies and Procedures. For more detailed information, contact the Vice Principal of Student Support.

When dealing with behavior violations, the principal or designee may use their discretion to provide alternatives to suspension or expulsion.

A student may be suspended or recommended for expulsion for prohibited misconduct if the act is related to school activity or school attendance occurring at anytime including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity.

Students may be suspended or recommended for expulsion for any of the following acts when it is determined that the pupil:

Computer and Internet access is available to Envision Academy. The Internet offers vast, diverse, and unique resources to our school community. Our goal in providing this service to students, staff, and administrators is to promote educational excellence through resource sharing and communication that is curriculum based.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. Envision Academy has taken reasonable precautions to restrict access to controversial materials. However, on a global network it is impossible to control all materials and an industrious user may discover inappropriate information. Envision Academy firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may obtain unsuitable material.

BULLYING, HARASSMENT, DISCRIMINATION, AND INTIMIDATION

Overview

Envision Education ("Envision") believes all students have the right to a safe and civil learning environment. Discrimination, harassment, intimidation, and bullying are all disruptive behaviors which interfere with students’ ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Envision prohibits any acts of discrimination, harassment, intimidation, and bullying related to school activity or school attendance. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means, consistent with this policy.

As used in this policy, “discrimination, harassment, intimidation, and bullying” describe the intentional conduct, including verbal, physical, written communication, or cyber-bullying, that is based on the actual or perceived characteristics of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. In addition, bullying encompasses any conduct described in the definitions set forth in this policy.

To the extent possible, Envision will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated and/or bullied, and will take action to investigate, respond, and address any reports of such behaviors in a timely manner. Envision staff who witness acts of discrimination, harassment, intimidation, and bullying will take immediate steps to intervene, so long as it is safe to do so.

Retaliation against any student who reports or provides information related to harassment or discrimination in violation of this policy is against the law and will not be tolerated. Intentionally providing false information, however, is grounds for discipline.

Policy Statement

Definitions

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students that constitutes sexual harassment, hate violence or creates an intimidating or hostile educational environment, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

*For any additional information on certain policies and expectations, please see our Handbook Appendix*

B. Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
C. Causing a reasonable pupil to experience a substantial interference with his or her academic performance.
D. Causing a reasonable pupil to experience a substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by Envision.

**Cyberbullying** is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

**Electronic act** is the transmission of a communication, including, but not limited to, a message, text, sound, or image, or a post on a social network Internet Web site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager.

**Sexual and Gender-Based Harassment** is harassment, whether sexual or otherwise, on the basis of sex, pregnancy disability, gender identity, or gender expression, are unlawful forms of harassment. Students in California are protected from discrimination based on their actual or perceived sexual orientation. Sexual orientation is defined as heterosexuality, homosexuality (gay/lesbian), and bisexuality.

**Sexual Harassment**
- Sexual advances, requests for sexual favors, and other visual, verbal or physical conduct of a sexual nature constitute sexual harassment when:
  - Submission to such conduct is made implicitly or explicitly a term or condition of educational development or participation in an educational program or activity;
  - Submission or rejection of such conduct is used as a basis for education decisions affecting individuals; or
  - Such conduct has a purpose or effect of unreasonably interfering with an individual's work or educational performance, or creating an intimidating, hostile or offensive educational environment.

Sexual harassment in California also includes:
- Verbal harassment, such as epithets, derogatory comments, jokes, or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work or learning because of sex; and
- Visual harassment, such as derogatory cartoons, drawings or posters.
- Sexual advances of an Envision employee to a minor student or unwelcome sexual advances from student to student of either the same or opposite sex.

*For any additional information on certain policies and expectations, please see our Handbook Appendix.*
Gender-Based Harassment

Gender-based harassment includes acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, although they are not necessarily sexual in nature. Prohibited conduct includes harassment of a student for exhibiting what is perceived as a stereotypical characteristic for her, his, or their sex, or for nonconformance with stereotypical notions of masculinity and femininity.

Conduct that may constitute sex or gender-based harassment include:

- Disparaging remarks made or aggression towards a student because that person displays mannerisms or a style of dress perceived as indicative of the other sex.
- Hostility towards a student because that person participates in an activity more typically favored by a person of the other sex.
- Intimidating a student to discourage that student from enrolling in a particular area of study because of their gender.
- Ostracizing a student who wishes to participate in an extracurricular activity because that activity is more typically favored by a student of the other sex.
- Taunting a student who is struggling with a subject-area curriculum by insisting that students of that gender are “bad” at that subject area.

Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of discrimination, intimidation, harassment, or bullying, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of bullying and harassment.

All other members of the school community, including students, parents/guardians, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy to the School Principal or Envision’s Superintendent. While submission of a written report is not required, the reporting party is encouraged to use the report form available in the Main Office of each Envision school. However, oral reports shall also be considered. Reports may be made anonymously, but formal disciplinary action cannot be based solely on anonymous information.

Students are expected to report all incidents of discrimination, intimidation, harassment, bullying, teasing, or other verbal or physical abuse. Any student who feels she/he is a target of such behavior should immediately contact a teacher, counselor, principal, or staff person so that she/he can get assistance in resolving the issue consistent with this policy.

Envision acknowledges and respects every individual’s rights to privacy. To that end, consistent with legal requirements, all reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible.

Envision prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter’s filing of a complaint or the reporting of violations of this policy. Such participation shall not in any way affect the status, grades or work assignments of the reporter.

Investigation

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Upon receipt of a report of harassment, intimidation, or bullying from a student, staff member, parent, volunteer, visitor or affiliate of Envision, the Envision Academy administration or Superintendent will promptly initiate an investigation. At the conclusion of the investigation, the Principal or Superintendent will notify the complainant of the outcome of the investigation. However, in no case may the Principal or Superintendent reveal confidential student information related to other students, including the type and extent of discipline issued against such students.

When appropriate, interim protections or remedies for the complainant, such as limitations on contact, alternative course schedules, and the like, may be recommended to the appropriate Envision administrator at any time during the process. However, if the complainant or accused are students, any change imposed to the classes, schedules, study programs, or activities of said students shall be equivalent to the classes, schedules, study programs, or activities in which they are currently engaged, such that the student(s) maintain the educational benefit from said class or program. The complainant will be kept informed of the status of the complaint, consistent with Envision’s policy and applicable law.

Complaints shall be investigated and resolved within thirty (30) school days, unless circumstances reasonably require additional time in which case efforts should be made to complete the investigation in not longer than ninety (90) days.

The final determination of the Investigator’s investigation shall result in a report which shall contain, at the minimum:

1) a statement of the allegations and issues;
2) the positions of the parties;
3) a summary of the evidence received from the parties and the witnesses; and
4) all findings of fact.

If the complaint involves a student, the Principal or designee shall notify the student’s parent or guardian of the conclusion reached by the Investigation Team and the steps taken to address the needs (current and ongoing) and/or behaviors of the student(s) involved.

If the final determination is that bullying or harassment has occurred, a prompt, relevant and effective remedy shall be provided to the complainant and appropriate disciplinary action taken against the harasser.

An appropriate administrator will periodically follow up with the student harassed to ensure that she or he is not experiencing any recurring harassment or retaliation.

All records related to any investigation of discrimination, harassment, intimidation or bullying will remain in a secure location in the Main Office of the school.

In those instances when the complaint filed under this policy also requires investigation under the Uniform Complaint Procedures, such investigation will be undertaken concurrently. See Envision Board Policy 3003.

**Appeal**

Should the Complainant find the resolution unsatisfactory, they may within five (5) school days of the date of resolution, file an appeal with the Designated Appeals Committee. Bullying and Harassment Prevention

To ensure bullying does not occur on school campuses, Envision Schools will provide staff development training in bullying and harassment prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

Teachers will discuss this policy with their students and assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus. School staff may refer to the following website for bullying prevention resources: http://www.cde.ca.gov/ls/ss/se/bullyres.asp

Envision Academy expects our students to adhere to the following Bullying and Harassment Policies:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to an EA staff member.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact our principal or the Envision Schools’ Superintendent. We prohibit retaliatory behavior against any complainant or any participant in the complaint process.

Our procedures for intervening in bullying behavior include, but are not limited, to the following:

- All staff, students and their parents/guardians receive a summary of this policy prohibiting intimidation and bullying: at the beginning of the school year, as part of this student handbook.
- Envision Academy will make reasonable efforts to keep a report of bullying and the results of investigation confidential.
- Staff who witness acts of bullying shall take immediate steps to intervene when safe to do so. People witnessing or experiencing bullying are strongly encouraged to report the incident; such reporting will not reflect on the target or witnesses in any way.

Conflict Resolution

Envision Schools believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss...
and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, each Envision school will incorporate conflict resolution education and problem solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment.

Envision Schools will provide training to develop the knowledge, attitudes, and skills students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. We expect our students to abide by our Student Conflict Resolution Code, to be followed by every student while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

The Conflict Resolution Code includes, but is not limited to, the following:

- Students are to resolve their disputes without resorting to violence.
- Students, especially those trained in conflict resolution and peer mediation, are encouraged to help fellow students resolve problems in a peaceful manner.
- Students can rely on staff trained in conflict resolution and peer mediation strategies to intervene in any dispute likely to result in violence.
- Students needing help in resolving a disagreement, or students observing conflict may contact an adult or peer mediators.
- Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussions confidential.
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

*For any additional information on certain policies and expectations, please see our Handbook Appendix.*
Envision Academy is committed to maintaining a learning environment that is free of harassment. Federal and state law prohibit the unlawful sexual harassment of any student by any employee, student, or other person at school or at any school-related activity.

The principal or designee shall ensure that students receive age-appropriate information related to sexual harassment. Students shall be assured that they need not endure, for any reason, any harassment that impairs the educational environment or a student’s emotional well being at school.

Any student who engages in the sexual harassment of anyone at school or a school-related activity shall be subject to disciplinary action. Any employee, who engages in, permits or fails to report sexual harassment shall be subject to disciplinary action up to and including dismissal. In addition, criminal or civil charges may be brought against the alleged harasser.

Students shall be informed that they should immediately contact a staff member if they feel they are being harassed. Within 24 hours, staff shall report complaints of sexual harassment to the principal. Staff shall similarly report any such incidents they may observe, even if the harassed student has not complained.

The principal or designee shall immediately investigate any report of the sexual harassment of a student. Upon verifying that sexual harassment has occurred, they shall ensure that appropriate action is promptly taken to end the harassment, address its effects on the person subjected to the harassment, and prevent any further instances of the harassment.

Envision Academy prohibits retaliatory behavior against any complainant or any participant in the complaint process. Information related to a complaint of sexual harassment shall be confidential to the extent possible, and individuals involved in the investigation of such a complaint shall not discuss related information outside the investigation process.

**COMPLAINT PROCEDURES**
In order to promote fair and constructive communication, the following procedures shall govern the resolution of complaints:

Whenever possible, complaints concerning school personnel should be made directly by the complainant to the person against whom the complaint is made. Parents/guardians are encouraged to attempt to orally resolve concerns with the staff member personally.
2. If a complainant is unable or unwilling to resolve the complaint directly with the person involved, they may contact the principal or designee. If the complaint is against the principal then the person can contact the

STUDENT RECORDS AND FERPA

Family Educational Rights and Privacy Act (“FERPA”) provides that a parent has the right to inspect and confirm the accuracy of education records relating to his or her child. FERPA also restricts the access of outside parties to educational records. FERPA is contained in the United States Code: 20 U.S.C. §1232g. The Department of Education’s FERPA regulations are contained in 34 C.F.R. Part 99.

FERPA applies to all public schools and any state or local education agency that receives Federal education funds. Compliance with FERPA is necessary if schools are to continue to be eligible to receive Federal education funds.

Policies/Annual Notification
Pursuant to Federal law, Envision Schools shall ensure the confidentiality of all pupil records. Parents are given annual notification as to the types of information designated as directory information. By a specified time after parents/guardians are notified of their review rights, parents/guardians may ask to remove all or part of the information on their child that they do not wish to be available to the public without their consent.

Educational Record Defined
An educational record is any written or computerized document, file, entry, or record regarding a student that is compiled by Envision Schools. Such information includes but is not limited to:
   a. Date and place of birth; parent and/or guardian’s address, and where the parties may be contacted for emergency purposes.
   b. Grades test scores, courses taken, academic specializations and school activities;
   c. Special education records;
   d. Disciplinary records;
   e. Medical and health records;
   f. Attendance records and records of past schools attended;
   g. Personal information such as, but not limited to, student identification numbers, social security numbers, photographs, or any other type of information that aids in identification of a student.

Directory Information Defined
Part of the education record, known as directory information, includes personal information about a student that can be made public, provided that a school has stated its policy regarding directory information in its FERPA policy. Directory information may include a student’s name, address, and telephone number, and other information typically found in school yearbooks or athletic programs. Other examples are names and pictures of participants in various extracurricular activities or recipients of awards, pictures of students, and height and weight of athletes. Release of directory information is allowed as outlined below.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
Parental and Legal Guardian Rights

A parent and/or a legal guardian has the right to inspect and review his or her child’s education records. If upon review, a parent or legal guardian discovers any information or notation that is factually inaccurate, he or she may request the school to amend the record. Envision Schools shall respond to this request in a reasonably prompt time period – generally within five (5) working days. This parental right does not include grades or educational decisions made by school personnel.

a. Request for Amendment of Education Record
Any request for an amendment to an education record must be made in writing and submitted within thirty (30) days of the discovery of the error. A request to amend any education record does not confer upon a parent or legal guardian a right to have any amendment made. The School will respond within ten (10) days of the receipt of the request to amend and the response will be in writing. If the request for amendment is denied, the School shall set forth the reason for the denial and will also note any objection to an adverse decision upon the record if so requested by the parent or legal guardian.

b. Copies
The School is not obligated to provide copies of any information unless providing copies is the only means of access and may charge reasonable fees for copies it provides to parents/guardians.

Disclosure of Education Records and Directory Information

Generally, schools must have written permission from the parent or eligible student before releasing any information from a student’s record. With the exceptions listed below, Envision Schools will not release educational records to any person or entity outside the school without the written consent of a parent or eligible student. UNIFORM COMPLAINT POLICY

The Envision Board recognizes that Envision Schools is responsible for complying with applicable state and federal laws and regulations governing educational programs.

Envision Schools shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on group identification, religion, age, gender, color, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs.

The Envision Board encourages the early, informal resolution of complaints at the school level whenever possible.

The Envision Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

The Envision Board prohibits retaliation in any form for the participation in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

**Compliance Officers**
The Envision Board designates the following compliance officer(s) to receive and investigate complaints and to ensure Envision’s compliance with the law:

Javier Cabra Walteros, Chief Academic Officer
111 Myrtle St., Suite 203
Oakland, CA 94607
(510) 451-2415
(510) 451-2768 fax

The Director or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Director or designee.

**Notifications**
The Director or designee shall meet the notification requirements of 5 CCR 4622, including the annual dissemination of Envision’s complaint procedures and information about available appeals, civil law remedies and conditions under which a complaint may be taken directly to the California Department of Education. The Superintendent or designee shall ensure that complainants understand that they may pursue other remedies, including actions before civil courts or other public agencies.

**Procedures**
The following procedures shall be used to address all complaints that allege that Envision has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4632.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled and when a decision or ruling is made.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
**Step 1: Filing of Complaint**
Any individual, public agency or organization may file a written complaint of alleged noncompliance by Envision.

Complaints alleging unlawful discrimination may be filed by a person who alleges that they personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination. (5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, Envision staff shall help them file the complaint. (5 CCR 4600)

**Step 2: Mediation**
Within five days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with their investigation of the complaint.

The use of mediation shall not extend the legal timeline for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

**Step 3: Investigation of Complaint**
The compliance officer is encouraged to hold an investigative meeting within ten days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or their representative to repeat the complaint orally. The complainant and/or their representative and Envision’s representatives shall also have an opportunity to present information relevant to the complaint. Parties to the dispute may discuss the complaint and question each other or each other’s witnesses. (5 CCR 4631)

**Step 4: Response**
Within 60 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the Envision investigation and decision, as described in Step #5 below. (5 CCR 4631)

**Step 5: Final Written Decision**
The report of the Envision decision shall be in writing and sent to the complainant. (5 CCR 4631) The report of the Envision decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write this report in the complainant’s primary language, Envision shall arrange a meeting at which a community member will interpret it for the complainant.

This report shall include:

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
1. The findings and disposition of the complaint, including corrective actions, if any. (5 CCR 4631)
2. The rationale for the above disposition. (5 CCR 4631)
3. Notice of the complainant’s right to appeal the decision within 15 days to the California Department of Education, and procedures to be followed for initiating such an appeal. (5 CCR 4631, 4652)
4. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies (5 CCR 4631; Education Code 262.3)
5. A detailed statement of all specific issues that were brought up during the investigation and the extent to which these issues were resolved.

**Appeals to the California Department of Education**

If dissatisfied with the Envision decision, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the Envision decision. For good cause, the Superintendent of Public Instruction may grant an extension of filing appeals. (5 CCR 4652)

When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the Envision decision and must include a copy of the locally filed complaint and the Envision decision. (5 CCR 4652)

The California Department of Education may directly intervene in the complaint without waiting for action by Envision when one of the conditions listed in 5 CCR 4650 exists. In addition, the California Department of Education may also intervene in those cases where Envision has not taken action within 60 calendar days of the date the complaint was filed with Envision.

Envision Schools admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, athletics or other school-administered programs.

**STUDENT AND CAMPUS SEARCH NOTICE**

**Overview**
The occurrence of incidents that may include the possession of firearms, weapons, alcohol, controlled substances, or other items prohibited by law, or the breaking of school rules and regulations, jeopardizes the health, safety and welfare of students and may necessitate the search of students and their property, student use areas, student lockers (if used) and/or student automobiles and may necessitate the seizure of any illegal or unauthorized materials in the search.

A principal or designee may conduct a reasonable search of a student’s person, property, school property under student’s control, or vehicle when there is a reasonable suspicion that the search will uncover evidence that s/he is violating the law or school rules. This may include but is not limited to illegal substances, drug paraphernalia, weapons, or other objects or substances that may be injurious to the student or others. The scope of the search must be reasonably related to the objectives of the search and not be excessively intrusive in light of the age and sex of the student and the nature of the infraction. Employees shall not conduct strip searches or body cavity searches of any student. The parents/guardians will be notified if the search of a student’s person has taken place. This policy applies to field trips and other instances where students are not at the school site but participating in a school sponsored activity.

**Seizure of Illegal, Unauthorized, or Contraband Materials**

If the search yields illegal or unauthorized materials such materials shall be turned over to the proper legal authorities for ultimate disposition as appropriate. The student shall be given the opportunity to explain the presence of the removed item. Appropriate disciplinary action will be taken according to school policies.

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
SEARCH AND SEIZURE POLICY

Overview
The occurrence of incidents that may include the possession of firearms, weapons, alcohol, controlled substances, or other item of contraband prohibited by law, or Envision rules and regulations, jeopardizes the health, safety and welfare of students and may necessitate the search of students and their property, student use areas, student lockers and/or student automobiles and may necessitate the seizure of any illegal, unauthorized or contraband materials in the search.

Notice
Written notice of this policy shall be provided to students and their parents and/or guardians at the beginning of each school year and upon enrollment during the school year. This can be accomplished via a summary in the Student Handbook.

Student Searches
The principal or designee may search students and their personal belongings without their consent under the following conditions:

1. The principal had a reasonable suspicion that the search would turn up evidence of a crime or violation of school rules.

2. Articulable facts must support a reasonable suspicion that a search is justified. In no case shall a search be conducted based on mere curiosity, rumor or hunch. The facts should be well documented including time, date, and student(s) involved.

3. The scope of the search must be reasonable, based on what the administrator suspected when the search began; and may not be excessively intrusive in light of the student’s age, sex, and nature of the infraction.

4. The need to maintain order in the school outweighs the student's legitimate right to personal privacy. It is best to notify the student and have their consent before searching their personal belongings. If a student refuses to cooperate;
   - Call the parents/guardians
   - As a last resort, call the police. This is a judgment call based on the severity and/or danger of the situation.

If the student does not agree to a search other disciplinary measures that can be taken based on the situation.

Who may conduct a search?
A person of the same gender shall conduct any search of a student or their personal belongings and must be conducted in the presence of another adult witness. At Envision this means:

*For any additional information on certain policies and expectations, please see our Handbook Appendix*
A school administrator (Principal, VP, Dean of Students) plus one additional staff person.

OR in situations that call for immediate action and an administrator is not present such as during field trips: 1) contact an administrator and 2) the Lead Teacher (of the same gender) in the presence of another staff member may conduct the search.

Written documentation of the search shall be kept and include the reasons for the search, the persons present, day and time of the search, and the objects found and the disposition made of them, and shall be kept in a secure location in an administrator’s office.

The principal or designee shall notify the parents/guardians of a student subjected to an individualized search as soon as possible after the search.

**What can be searched?**

- A student’s person – a student can be asked to remove outer garments (sweaters/jackets, hats, shoes, empty their pockets, roll up pant legs, sleeves, etc).
- Personal effects (e.g. backpack, purse, bags, etc.) Ask the student to empty the contents in front you; you may examine the bag and feel for any non-empty pockets. You may also examine any of the contents. If the student refuses to empty the bag you may proceed with the inspection without their participation.
- Lockers/desks*
- Vehicles*

*Lockers and vehicles may be searched without prior consent of the student but the rule of “reasonable suspicion” applies.

In no case shall school administrators conduct a strip search. These types of searches are prohibited by law and require a student to remove or arrange their clothing to allow a visual inspection of the underclothes and the private parts of the student’s body. If the situation is deemed to be of immediate threat to the students or staff, call the police.

A search of a group of students where no particular student within the group is suspected may be conducted only if there is reasonable suspicion of conduct imminently dangerous to students, others or school property.

Student use areas, including, but not limited to, instructional and recreational space, lockers, and parking lots are school property and remain at all times under the control of Envision. School administrators, for any reason, may conduct periodic general inspections of these areas of the school at any time without notice. Students should be present when a general inspection occurs. This policy shall also be in effect during school-sponsored field trips and other off-site school sponsored activities.

**Seizure of Illegal, Unauthorized, or Contraband Materials**

If the search yields illegal, unauthorized, or contraband materials, such materials shall be turned over to the proper legal authorities for ultimate disposition as appropriate. The student shall be given the opportunity to explain the presence of the removed item. Appropriate disciplinary action may be taken according to school policies.

DAY FIELD TRIP and TRANSPORTATION - PERMISSION FORM AND WAIVER

Permission to Attend Day Field Trips
Keeping learning relevant is an important teaching strategy at Envision Education. This entails frequent field trips to take advantage of resources outside of the school. Such trips are always taken under the supervision of at least one credentialed teacher and/or school administrator, and all precautions are taken to ensure each student’s welfare. When traveling away from school, the School will make every effort to transport students to and from scheduled field trips in a chartered bus or van, or by public transportation. However, circumstances may necessitate alternate modes of transportation. In all cases, Envisions School administration will actively screen all potential drivers and ensure that all students are transported in properly insured vehicles. As a parent/guardian, by signing this permission slip, you are giving permission for your student(s) to participate in all field trips scheduled during the school year. Parents/guardians will be notified in advance when students will be taking a field trip and will be provided with information about the trip along with final field trip authorization forms.

Waiver of Claim
I understand that all day school field trips are optional, participation is not required, and an alternate activity will be offered at the school for students who choose not to attend. I understand that all field trips begin and end at the school and that all students are required to go and return from the event on the transportation provided by Envision Education unless prior arrangements have been made with the Principal and the Non-School Sponsored Driver Waiver and Release form is on file.

Further, I understand that pursuant to Education Code Section 35330, all persons participating in a field trip or excursion shall be deemed to have waived all claims against Envision Education, its Board of Directors, Officers, Employees, Agents, volunteers, and contractors for injury, illness or death occurring during or by reason of the field trip or excursion. I therefore acknowledge that as a condition of my student’s participation in said activity, I hold harmless and waive any and all claims against Envision Education, its Board of Directors, Officers, Employees, Agents, volunteers, and contractors and the CCSA JPA and their officers, employees, and agents, including, but not limited to, claims arising out of any actions or omission of any officers or employees of Envision Education, for any injury, accident, illness, or death, or any loss or damage to personal property occurring during or by reason of the participation in said activity. By signing this agreement, I acknowledge that I have carefully read this document and understand the information therein. I agree to each of the terms and acknowledgments above, and agree to permit my child to participate in school field trips.
